WITH CORIAN®

 QUABA
IMPROVE YOUR HABITS

Corian® is a patented composite material. Resistant to impacts, stains, and scratches, it features a non-porous surface that prevents the growth of bacteria and mold, helping to maintain a hygienic environment.

TEXTURED CORIAN®

Dune Prima

A unique expression of nature, Dune Prima combines a swirly palette of sand and caramel tones to create a uniquely interesting and inviting surface.

Limestone Prima

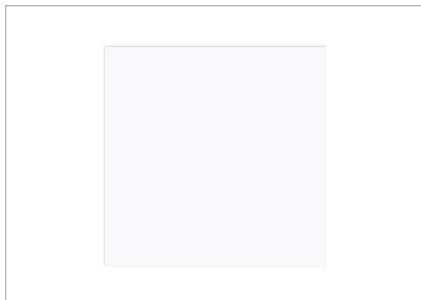

Adding a sense of nature and warmth, white, tan and grey streams flow throughout the white backdrop. Flecks of white and black are incorporated to create superb visual interest

Carrara Lino

Gorgeous grey veins sweep through the cool white Carrara Lino, creating the perfect interpretation of classic stone.

CORIAN® ADDITIONAL FINISHES

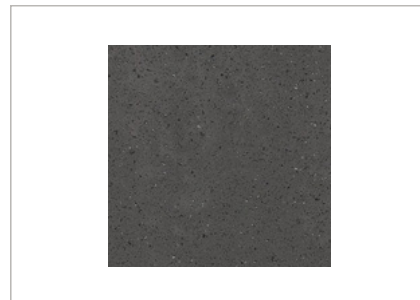

Glacier white

It is pure elegance, simplicity and understated style. It offers the perfect canvas for your furniture, art and design expression.

Dove

It is a symbol of peace, and this grey option, gently flecked with white and blue transparent particles, is serene and peaceful.

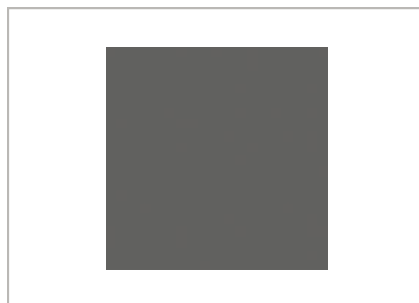

Carbon Concrete

Strong and emotive, the dark grey base with veining and fine flecks bring a dynamic and self-assured presence to the room.

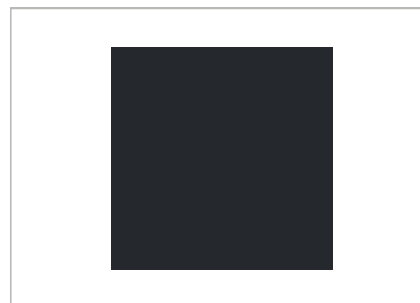

Elegant Gray

Light grey with hints of beige marry perfectly in this subtle and elegant tone.

Deep Cloud

Moody yet calming, Deep Cloud is a versatile hue, reminiscent of the dramatic sky before a storm.

Deep Nocturne

As black as the night, Deep Nocturne is a solid, pure black tone that makes a bold, anchoring statement.
